

## Infantry Man Returns Home

Sgt. Lawrence D. Keeler, 28, son of Mr. and Mrs. Medford Keeler, 2020 W. 220th St., is returning to the United States after serving with the 4th Infantry Division in Germany. Keeler, who arrived overseas in June 1951, served as a section leader in Company I of the division's 8th Regiment. A 1st war was awarded the Army of Occupation Medal for service in Germany.

Before entering the Army in April 1948, he was a farmer.

## TRUCK CENTERS

About 30 per cent of all United States trucks are in 115 large cities.

## Connett Endorses Courses

Ferry L. Connett, president of the Torrance-Lomita Realty Board is one of eight realty board presidents in the Los Angeles area who have endorsed the professional program in real estate study sponsored by the University of California extension, according to Karl Venter, who heads the program for the university.

## Release 50,900 Birds

In the first full year of operation under the Fish and Game Commission's new pheasant stocking policy, the 14 game farms operated by the California Department of Fish and Game raised and released a total of 50,900 Chinese pheasants during 1953.

## Walteria News Notes

# Neighbors Feast on Duck Hunters' Catch

By BETTY MITCHELL  
DA 6-4488

Sniff that luscious odor. It's wild duck cooking over on Winlock Rd. Seems that Pat and Wayne Cramer of Winlock Rd. have just returned from Stockton, Calif. with a whole load of wild ducks. Some of their lucky neighbors were present with the birds for delicious duck dinners.

Sorry to hear that polio has struck one of our Walteria youngsters. She is Priscilla Beasley of Neece Ave., daughter of the J. A. Beasleys. Fortunately, her case was a light one, and if no complications set in, she will be able to come home in a week or so.

Mr. and Mrs. Jack Tinkler of Newton St. are proud grandparents of a new baby daughter, Jacqueline Beth, who made her appearance on Dec. 29 in Oxnard, Calif. She is the daughter of Mr. and Mrs. Benny Capdeville who are visiting with the Tinklers at the present. Jacqueline weighed in at seven pounds, one ounce. Her other grandparent is Mrs. Beatrice Capdeville of Port Huene.

The Walteria Methodist Youth Fellowship is now being organized under the sponsorship of Mrs. Robert Cramer of Los Cordon Ave. and the Rev. Gene Gehres. All youths from the ages of ninth grade to 23 years are welcome. The church is also open to 14. The first meeting of the choir was held Saturday, Jan. 23, at the Methodist Church on Newton St.

A very merry welcome home was given this week to Skippy Herrera, son of Mr. and Mrs. Hector Herrera of Newton St. when he returned home after serving with the U.S. Navy in Korea.

The Walteria Business Women's Club held its meeting at the Fish Shanty last Thursday evening. The evening was a very busy one with election of officers for the coming year being held. Mrs. Dorothea O'Brien of Hawthorne Blvd. was re-elected president.

Mr. and Mrs. Pat Cooney and family of 3810 Pacific Coast Hwy. returned last Wednesday from a four-week trip to Canada.

## Add Class to Adult Slate

A blueprint reading and drafting course started Tuesday at 7 p.m. in the Torrance School of Adult Education at Torrance High School, according to Marshall Crawshaw, director.

The class will be held on Tuesday and Thursday evenings from 7 to 10 o'clock.

Under the direction of Lloyd da and New York. They made quite an interesting tour of the Atlantic coast.

A large crowd attended the meeting of the Walteria PTA last Thursday evening. A very interesting program was presented with a talk by Sgt. D. C. Cooke of the Torrance Police Dept. and a film, "How a Criminal is Born." After a community sing under the leadership of Jean Cramer, the third grade mothers, acting as hostesses, served doughnuts and coffee. A paper drive under the chairmanship of Mr. Nestlerode will be held on Feb. 4.

D. Brady, tool engineer at National Supply Company, the class is open to anyone interested in learning to read engineering or architectural blueprints. Real estate brokers and salespeople, persons planning to build their own homes, building contractors, plumbers and electricians will find this course of great value and interest, Crawshaw said.

This blueprint reading course is a prerequisite for further drafting training and will include such subjects as theory of graphic presentation (reading of drawings, lines, invisibility

edges, oblique surfaces, cylindrical objects, sectional views); dimensions and tolerances; standard drafting practices.

Further information on this course may be had by calling Torrance School of Adult Education, FA 8-2272 or FA 8-2273.
